Hermanos is pleased to offer a variety of gluten free options on our food and beverage menus. We are not, however, a gluten free restaurant and cannot ensure that cross contamination will never occur. Likewise, we offer many vegetarian and vegan options. But there is always the possibility, however slight, that some foods prepared in this establishment may come in contact with wheat, eggs, soy, nuts or dairy products. While we take steps to minimize the risk of cross contamination, we cannot guarantee that all of our products are safe to consume for people with peanut, tree nut, soy, milk, egg or wheat allergies. If you are a Celiac and/or highly sensitive, please advise your server and know that we will do our best but cannot guarantee your order will not touch gluten somewhere in the process.
